## Emerald Olson Joins Local Investment Company

Announcement has been made by Bateman, Eichler & Co., Los Angeles investment dealers and members of the Pacific Coast Stock Exchange that Emerald L. Olson has joined the staff of that firm's Redondo Beach office, 209 Avenida Del Norte, as a registered representative.

Olson first entered the investment business in 1934, in

Waterloo, Iowa. A few years later he left it, to follow educational and religious pursuits. His own educational background includes an undergraduate degree from Iowa State Teacher's College, and graduate work at both the University of Iowa and the University of Chicago.

The new Bateman, Eichler & Co. sales representative has

been a South Bay resident for five years. At present he makes his home in Hermosa Beach with his wife, his son David and his mother. The Olson family has been prominent in cultural and community activities, ever since coming to this area. Olson is a past chairman of the Psychological Service Center of the South Bay. Mrs. Olson, a former high school English instructor, continues to devote much of her time to community interests. A daughter, Mrs. Albert K. Dunlap, is at present a teacher in the Torrance elementary school system.

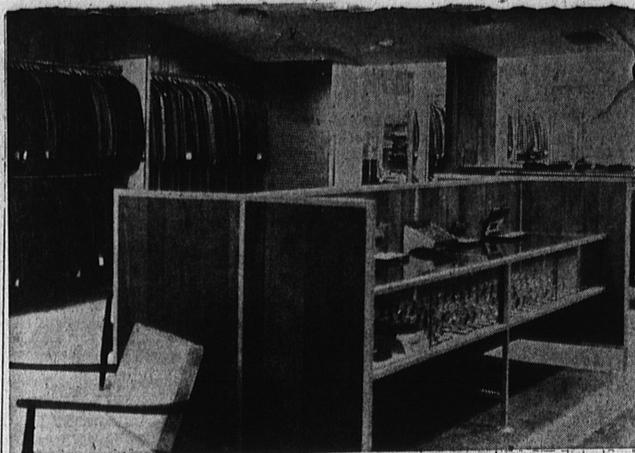

"I am extremely proud of my new association," said Mr. Olson. "Bateman, Eichler & Co. is one of the most respected names in investment circles in the West. In times like these, a knowledge of how to handle one's money wisely is most essential for the individual, and investment advice provides a needed and valuable service for the community, too."

Bateman, Eichler & Co. was one of the first investment

firms to establish an office in the South Bay area, recognizing the investor's needs in a rapidly growing community. The Redondo Beach office is in charge of Richard M. Allen, resident manager, of Palos Verdes.
